

P&C

Our P&C Association plays an active role in providing the best possible learning environment for our children. Meetings are held at the school on the third Monday of every month commencing at 7:30 pm. Any parent or community member can become a member of the association. Opportunities are given to all members to put forward ideas that would improve our school's learning and teaching resources and our physical environment. Through the P&C, members are invited to participate in school strategic planning and to provide the principal with feedback on proposed policy and program changes.

The P&C also operates a Tuckshop sub-committee that is responsible for overseeing the operation of our school tuckshop and a Fundraising sub-committee to coordinate and plan fundraisers for the year.
