Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Review student performance data fortnightly for at risk students and every 5 weeks for all students.
- Implement additional intensive research-based reading intervention support programs for identified students.
- Enhance the school's current P-3 Reading Program based on the explicit teaching of: Phonemic Awareness, Phonics, Fluency, Vocabulary and Comprehension (FNQ Improving Teaching System).
- Focus on the explicit teaching of comprehension strategies for fiction and non-fiction/informative texts.

Student outcomes were improved by:

- Employing a ST:LaN (0.4) to develop, co-ordinate, deliver and monitor reading intervention programs for identified students.
- Employing specialist Teacher Aides to assist with the delivery of intensive 1:1 reading intervention programs with students at risk of not meeting school year level benchmarks.
- Providing opportunities for staff to regularly conduct in-depth analysis of student reading progress using updated benchmarking and diagnostic resources to tailor reading intervention to specific needs.
- Purchasing extra resources to enhance the school's reading intervention program for students experiencing reading difficulties above Level 23.

The following targets were achieved:

Reading Benchmarks

- Prep – Target - 80% at or above Level 10 – Actual **84%**
- Year 1 – Target - 80% at or above Level 20 – Actual **89%**
- Year 2 – Target - 80% at or above Level 25 – Actual **87%**
